Morgan County High School Volume Twenty-Seven

Nineteen Hundred And

Eighty Echoes

To everything there is a season, and a time to every purpose under the heavens.

When we look back over the years and remember all of the many people who, in their own ways, touched our lives, we will always remember you as one who touched us in a special way.

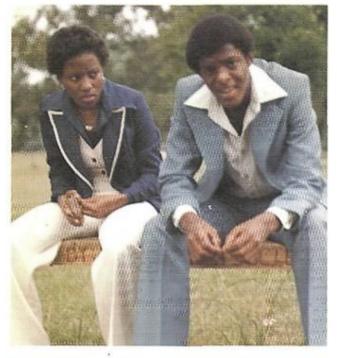

Your deep concern for our intellectual growth will be with us always.

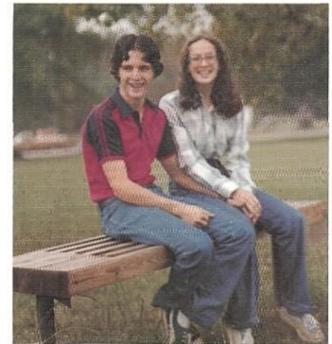

Because you have spent so much time dedicating yourself to us, we, the Echoes Staff of 1980, dedicate our annual to you,

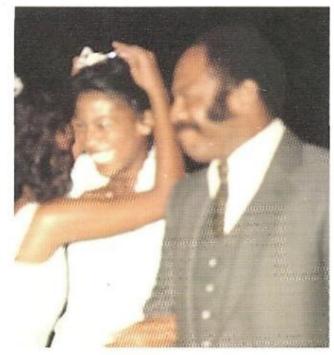

our very own

Our years here at MCHS have given us so much. We ch we have received until we sever all ties with MCHS. There are many obstacles we must overcome and ccomplish. Our foundations received here, not only in academics but also in dealing with people and always be remembered and appreciated.

We, the Echoes Staff, have tried to preser We have made tangible the precious moments of our soon to be past. Our only regret is that is the ability to capture all the things we would like to savor. We only hope our 1980 ECHO our own personal experiences.

Naturally there will be sad memories as he Homecoming football game, the time we almost lost some of our close friends, the tim to new and more important things, and of course, all the times we never quite made it to the Stat utweighed by the happy memories, but, nevertheless, the sad ones are just as much a part of our years at MCHS as the happy one

Soon many of us will be leaving MCHS, but we will be take periences and a certain spirit which has been imparted to us by this school, a spirit which will remain with us for the rest of our

We would like to express our despest appreciation by saving, "I hank-you, MCHS"
